- *Over 1178 trained personnel to be deployed for comprehensive sanitization at PGIMER*
- *Contract reinforces Krystal's expertise in maintaining hygiene at critical healthcare institutions*

**Mumbai, March 10, 2025:** Krystal Integrated Services Limited (KISL), India's fastest growing and leading provider of integrated facility management (IFM), has secured a work order from the Ministry of Health and Family Welfare for the provision of sanitation services at the Post Graduate Institution of Medical Education and Research (PGIMER). The work order highlights KISL commitment towards delivering high quality sanitation solutions for healthcare sectors across India.

To ensure the highest standard of cleanliness and hygiene KISL will deploy 1178 trained personnel's across the PGIMER campus. The scope of work includes sanitization services across multiple designated areas, including indoor spaces, high-intensity zones, outdoor spaces, the building exteriors, and seating areas such as stadiums. The deployment of trained personnel's and state of the art sanitation equipment will ensure that the medial institution maintains a safe and sterile environment crucial for preventing the spread of infections and maintaining overall public health.

Commenting on the contract Mr. **Sanjay Dighe, CEO & Whole-time Director at Krystal Integrated Services Limited**, expressed, *"We are honoured to be entrusted with this crucial sanitization contract for Post Graduate Institution of Medical Education and Research (PGIMER). This partnership with the Ministry of Health and Family Welfare reflects our unwavering commitment to upholding the highest standards of hygiene in healthcare institutions. At Krystal Integrated Services Limited, we understand that sanitation is not just about cleanliness—it is about safeguarding lives, preventing infections, and ensuring a safe healing environment for all. Our team is extensively trained and well-equipped with the latest technology and best practices to deliver world-class sanitization services."*

As a pioneer in integrated facility management, KISL continually invests in advanced sanitation technologies and rigorous training programs for their workforce. The company utilizes mechanized cleaning techniques and stringent quality control measures to meet dynamic demands of large-scale institutions. KISL has a strong record of accomplishment in managing high traffic healthcare facilities including real time monitoring, quality audits and adherence to government mandated sanitization protocols.

This contract with the Ministry of Health and Family Welfare marks another milestone in Krystal Integrated Services Limited's journey towards expanding its footprint in India's healthcare sector. The company has successfully implemented large-scale sanitation projects for government hospitals, educational institutions, and public infrastructure across the country.
