Krystal Integrated Services Bags Facility Management Contracts for Airports and Metro Infrastructure

Wins prestigious contracts from Airports Authority of India (AAI), Mumbai International Airport Limited (MIAL), and Maha Mumbai Metro Operation Corporation Limited (MMMOCL) strengthening leadership in integrated facility management

Mumbai, 23 January 2025 – Krystal Integrated Services Limited (KISL), India’s fastest growing and leading provider of integrated facility management, staffing, and technical solutions, proudly announces a series of significant achievements that underscore its commitment to operational excellence and innovation across India’s critical infrastructure sectors.

Krystal has recently bagged a prestigious contract from the **Airports Authority of India (AAI)** to provide comprehensive housekeeping and mechanized housekeeping services at Aurangabad Airport. This collaboration will focus on ensuring seamless airport operations, covering a wide range of facility management services including security, safety, building maintenance, and engineering support. The company will deploy a skilled workforce equipped with advanced cleaning equipment and hygiene solutions to uphold the highest standards of cleanliness and safety.

In addition, Krystal has been entrusted with the provision of landside security services at Chhatrapati Shivaji Maharaj International Airport by **Mumbai International Airport Limited (MIAL)**. This critical contract highlights Krystal’s expanding footprint in the aviation sector and reinforces its reputation as a trusted partner in enhancing safety compliance at one of India’s busiest airports.

Further solidifying its leadership, Krystal has also secured an extension of its Station Attendant and Shift Supervisor (SA-SSP) contract with **Maha Mumbai Metro Operation Corporation Limited (MMMOCL)**. Effective February 19, 2025, this extension will ensure uninterrupted operations and passenger services at 30 metro stations on Metro Line 7 and Line 2A, benefiting thousands of daily commuters. The continued collaboration reflects MMOCL’s confidence in Krystal’s ability to deliver reliable and efficient services.

Commenting on the milestone, **Sanjay Dighe, CEO of Krystal Integrated Services Limited**, expressed his pride in these milestones: *“These achievements reaffirm our dedication to delivering world-class facility management solutions. From airports to metro stations, Krystal remains committed to enhancing operational efficiency, safety, and customer satisfaction across India’s key infrastructure sectors.”*

About Krystal Integrated Services:

Krystal Integrated Services Limited (KISL) is one of India's fastest-growing and leading integrated facilities management services companies, offering end-to-end solutions across diverse sectors such as healthcare, education, public administration—including state government entities, municipal bodies, and other government offices—airports, railways, metro infrastructure, retail, and corporate environments. The company provides a comprehensive suite of services, including integrated facility management, staffing and payroll management, security management, catering, technical facility management (TFM) leveraging advanced technologies and robotics, and wastewater management to promote sustainability.

Serving prominent business houses across industries like manufacturing, pharmaceuticals and hospitality, KISL has demonstrated consistent growth over the fiscal years 2021 to 2024 by catering to 262, 277, 326 and 369 customers, respectively, and managing operations at 1,962, 2,240, 2,427 and 2,487 locations across India. With approximately 44,000 frontline staff deployed, KISL is a preferred employer in the sector and remains committed to delivering innovative and efficient facility management solutions that drive excellence and sustainability.
