## **Krystal Integrated Services Secures ₹370 Crore Contract from Commissionerate of Social Welfare, Pune**

- *Five-year engagement to uplift living and learning conditions for thousands across the state*

**September 02, 2025:** Krystal Integrated Services Limited (KISL), a leading provider of integrated facility management solutions, has secured a significant five-year contract worth ₹370 crore from the Commissionerate of Social Welfare, Pune. The mandate covers mechanised housekeeping and outsourced manpower services across a wide network of welfare institutions, marking one of the most socially impactful engagements in Krystal's government portfolio.

The project spans hostels, residential schools, welfare homes, training institutes, and administrative facilities across Maharashtra, where thousands of students, senior citizens, and vulnerable communities depend on public services for education, care, and shelter. By introducing professional facility management practices, Krystal will help create safe, dignified, and supportive environments that directly improve daily living and learning conditions.

The Commissionerate of Social Welfare oversees one of the most extensive welfare ecosystems in the country. It manages more than 2,800 hostels for boys and girls, 93 residential schools, and 19 Scheduled Ashram Schools, along with a dedicated residential school in Pune for children of sweepers. It is also responsible for six Industrial Training Institutes across divisions, 34 Dr. Babasaheb Ambedkar Nyay Bhavans, 54 old age homes, cooperative societies, and spinning mills, while serving as a key access point for government welfare schemes.

Through this partnership, Krystal will support the Commissionerate's mission of inclusivity and empowerment by delivering services that go beyond efficiency to ensure dignity, cleanliness, and care in everyday spaces.

**Commenting on the win, Sanjay Dighe, CEO & Whole Time Director, Krystal Integrated Services Limited, said,** *"This contract is a privilege as it allows us to serve the backbone of Maharashtra's social welfare system. Every hostel we maintain, every classroom we keep clean, and every welfare home we support contribute to creating dignity, safety, and opportunity for people who depend on these institutions. At Krystal, we believe facility management is not just about upkeep; it is about enabling growth and empowerment. We are proud to play a part in strengthening the foundation for inclusive development across the state."*

With this contract, Krystal further reinforces its position as a trusted partner for government and institutional clients, demonstrating its ability to deliver facility management solutions that go beyond efficiency to create meaningful social impact.
