Krystal Integrated Services secures multiple municipal sanitation contracts worth approx. 275 crores across Vasai–Virar

- *Five-year municipal sanitation mandates across Prabhag G, C and F under Vasai–Virar City Municipal Corporation, covering end-to-end solid waste management services*
- *End-to-end solid waste management services to be delivered in compliance with SWM Rules, 2016*
- *Large-scale deployment across residential, commercial and public zones in a fast-growing urban region*

Mumbai, 12th January 2026: Krystal Integrated Services Ltd, a leading provider of integrated facility management solutions, has secured three major municipal solid waste management contracts from the Vasai–Virar City Municipal Corporation (VVCMC), with a combined contract value of approximately 275 crore over a five-year period with an additional three-month preparatory phase. The mandates cover end-to-end municipal sanitation services in accordance with the Solid Waste Management Rules, 2016

The scope of work includes door-to-door collection, segregation, transportation of municipal solid waste, street cleaning services and cleaning of public spaces across residential, commercial, institutional, and notified public areas. Krystal will also ensure transportation of segregated waste to authorised processing, treatment, and disposal facilities. Krystal will deploy dedicated manpower, specialised vehicles and modern equipment, to ensure uninterrupted, hygienic, and compliant waste management services across all three wards, while maintaining strict adherence to safety and regulatory standards.

Speaking on the development, Mr. Sanjay Dighe, CEO and Director of Krystal Integrated Services Ltd, said, *“Securing these multiple municipal sanitation mandates from Vasai–Virar City Municipal Corporation marks another important milestone for Krystal Integrated Services. Urban waste management is a critical public service that demands operational discipline, reliability, and regulatory compliance. These engagements reinforce our ability to manage large-scale, people-intensive municipal operations while supporting city administrations in delivering cleaner, healthier, and more sustainable urban environments.”*

The Vasai–Virar City Municipal Corporation serves one of Maharashtra's fastest-growing urban regions, and these contracts highlight the increasing reliance on professional facility management partners for civic sanitation and urban infrastructure services.

For Krystal Integrated Services, these wins further strengthen its municipal services portfolio and underscore its capability to deliver long-term, high-impact public infrastructure operations at scale.
