#Brief description of objects:

Object of the Issue	Description of objects as per the offer document filed by the issuer
Repayment/prepayment, in full or part, of certain borrowings availed of by the Company	<p>The Company proposes utilizing an aggregate amount of ₹ 100.00 million from the Net Proceeds towards repayment/pre-payment, in full or in part, of certain borrowings availed of by the Company.</p> <p>The selection and extent of borrowings proposed to be prepaid and/or repaid by the Company is based on various commercial considerations including, among others, the interest rate of the relevant borrowers, prepayment charges, the amount of the borrowings outstanding, amount and nature of security provided and the remaining tenor of the borrowings.</p>
Funding working capital requirements of Company	<p>The Company is required to incur certain upfront costs to be able to provide services to its customers from the beginning of the contracted period. These include costs towards manpower, materials, and machine required from the first day of commencement of such contract.</p> <p>The Company proposes to utilize Rs.150.00 million and Rs.850.00 from the Net Proceeds towards funding its working capital requirements in Financial Year 2024 and Financial Year 2025, respectively, for meeting future business requirements</p>
Funding capital expenditure for purchase of new machinery	<p>The Company proposes purchasing new machinery with the objective of improving the quality and efficiency of deliverables to its customers. The proposed capital expenditure for the purchase of new machinery is expected to have a positive impact on company's ability to compete in the market. It will enhance capabilities for bidding on new projects and provide it with a distinct competitive advantage.</p>
GCP	<p>The general corporate purposes for which Company proposes to utilize Net Proceeds include funding growth opportunities, strengthening marketing capabilities, brand building exercises, interest payments and other debt servicing costs, investing towards information technology infrastructure, and purchase of equipment and, other expenses incurred in course of its catering business, as may be approved by Company's Board or a duly appointed committee from time to time, subject to compliance with applicable laws. Also, the quantum of utilization of funds towards each of the above purposes will be determined by Company's Board.</p>

iii. Deployment of unutilised IPO proceeds^:

The Company has fully utilized the net proceeds towards the abovementioned objects of the issue. Rs 199.47 million is earmarked for issue related expenses, and these funds are still an estimate. Out of this, the Company has utilized Rs 192.84 million towards issue related expenses and the balance of Rs 6.63 million is lying in the public offer account of the Company. As discussed with the Company, surplus after paying the issue expenses might get credited to the monitoring account in upcoming quarters. Hence, Crisil will continue to monitor the same till the balance of both the account stands fully utilised.
